Mr. Sourav Mallik	Kotak Mahindra Capital Company Limited, Merchant Banker
Mr. Anup Poddar	Kotak Mahindra Capital Company Limited Merchant Banker
Mr. Girish Vanvari	Transaction Square LLP
Ms. Saloni Khandelwal	Transaction Square LLP

I. INTRODUCTION & BACKGROUND

The meeting of the Committee of Independent Directors of the Company was held on September 26, 2022, to consider and recommend to the Board of Directors of the Company, the proposed Scheme of Arrangement amongst Mangal Industries Limited and Amara Raja Batteries Limited and their respective shareholders and creditors (hereinafter referred to as "the **Scheme**") pursuant to Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, the rules and regulations made thereunder (including any statutory modifications or re-enactments thereof for the time being in force) ("**Companies Act**" or the "**Act**") and other applicable laws including the master circular issued by the Securities and Exchange Board of India ("**SEBI**") Master Circular No. SEBI/HO/CFD/DIL 1 /CIR/P/2021/0000000665 dated 23 November 2021 (as amended from time to time) ("**SEBI Scheme Circular**").

ARBL is a public limited company incorporated on February 13, 1985 with Corporate Identification Number: L31402AP1985PLC005305 and having its registered office at Renigunta Cuddapah Road, Karakambadi, Tirupati, Andhra Pradesh 517520. ARBL is engaged in the business of manufacturing of energy storage products for both industrial and automotive applications. The equity shares of ARBL are listed and traded on BSE Limited ("**BSE**") and National Stock Exchange of India Limited ("**NSE**") (BSE and NSE collectively referred to as the "**Stock Exchanges**").

MIL is an unlisted public limited company incorporated on November 09, 1990 with Corporate Identification Number U15122AP1990PLC011932 and having its registered office at Renigunta Cuddapah Road, Karakambadi, Tirupati, Andhra Pradesh 517520. MIL is engaged in various businesses such as Plastic Component for Battery Business (as defined in the Scheme), manufacturing of auto components (including fasteners, plastics, copper inserts / connectors and others), metal fabrication, storage solution, lead bushes and trading of various products, etc.

In terms of the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**Listing Regulations**”) read with **SEBI Scheme Circular**, a report from the Committee of Independent Directors recommending the draft Scheme is required, taking into consideration, *inter alia*, that the Scheme is not detrimental to the shareholders of the Company. This Report is made in compliance with the **SEBI Scheme Circular**.

II. DOCUMENTS PLACED BEFORE THE COMMITTEE OF THE INDEPENDENT DIRECTORS:

- i. Draft Scheme, duly initialed by the Company Secretary of the Company for the purpose of identification.
- ii. Valuation Report dated September 26, 2022 (“**Valuation Report**”) issued jointly by Mr. Niranjana Kumar, Registered Valuer – Securities or Financial Assets (Registered Valuer Registration No. IBBI/RV/06/2018/10137) and Banshi S. Mehta Valuers LLP, Registered Valuer – Securities or Financial Assets (Registered Valuer Registration No. IBBI/RV-E/06/2022/172), describing, *inter-alia*, the methodologies adopted by them in arriving at the recommended Share Entitlement Ratio (*as defined below*) and setting out its detailed computation for the proposed Scheme.
- iii. Fairness Opinion dated September 26, 2022 (“**Fairness Opinion**”) issued by Kotak Mahindra Capital Company Limited, an Independent SEBI registered Category I Merchant Banker (SEBI Registration No. INM000008704), providing its opinion on the fairness of the Share Entitlement Ratio as recommended in the Valuation Report.
- iv. Statutory Auditors Certificate dated September 26, 2022, issued by the Joint Statutory Auditors of the Company i.e. M/s. Brahmayya & Co, Chartered Accountants and M/s. Deloitte Haskins & Sells LLP, Chartered Accountants, certifying that the accounting treatment prescribed in the draft Scheme is in conformity with the accounting standards prescribed under Section 133 of the Companies Act.
- v. Audited financial statements of MIL as on and for the year ended 31st March 2022 and as on and quarter ended 30th June 2022.
- vi. Carve out financials of Demerged Undertaking (*as defined in the Scheme*) as on and for the year ended 31st March 2022 and as on and quarter ended 30th June 2022.
- vii. Financial, Tax and Legal Due Diligence Reports.

III. SALIENT FEATURE OF THE SCHEME

The Committee of the Independent Directors considered and observed the following salient features of the draft Scheme:

- i. The Scheme provides for the demerger of the Plastic Component for Battery Business (*Demerged Undertaking*) of the Demerged Company (*as defined in the Scheme*) on a ‘going concern basis’ to the Company.
- ii. The Scheme shall be effective from April 1, 2022 i.e. “Appointed Date”.
- iii. Pursuant to the Scheme, the Company will issue and allot to the equity shareholders of the Demerged Company, as on the record date, such number of equity shares as determined in the Valuation Report and approved by the Board as per Share Entitlement Ratio mentioned below:

“65 (Sixty Five) equity shares of ARBL of INR 1/- each, fully paid-up for every 74 (Seventy Four) equity shares of MIL of INR 10/- each, fully paid-up” (“Share Entitlement Ratio”)

- iv. The equity shares to be issued by the Company to the shareholders of Demerged Company on the record date, pursuant to the Scheme, will be listed and admitted to trading on the Stock Exchanges.
- v. The Company shall follow the accounting treatment for the Scheme as per the applicable method of accounting prescribed under the Indian Accounting Standard (Ind AS) 103 – “Business Combination” notified under Section 133 of the Act read with the applicable rules issued thereunder.
- vi. Upon the Scheme becoming effective, the Demerged Undertaking (*as defined in the Scheme*) along with all of its assets, liabilities, contracts, employees, records, etc. being its integral part shall stand transferred to the Resulting Company as a going concern subject to the provisions of the Scheme.
- vii. From the Appointed Date and up to the Effective Date (*as defined in the Scheme*), MIL shall carry on its business of the Demerged Undertaking (*as defined in the Scheme*) and activities with reasonable diligence and business prudence.
- viii. The Scheme will come into effect subject to approval of Stock Exchanges, jurisdictional National Company Law Tribunal (“NCLT”), shareholders, creditors and such other statutory authorities as may be required.

IV. RATIONALE OF THE SCHEME

The Resulting Company, since its incorporation, has focussed on manufacturing of lead-acid based batteries and had strategically outsourced a few important back-end operations / functions. One such major back-end outsourced operations is manufacturing of plastic components for batteries, including that of plastic containers, jars, covers, small plastic parts, handles etc., to the Demerged Company.

The Demerged Company is engaged in various businesses such as Plastic Component for Battery Business, manufacturing of auto components (including fasteners, plastics, copper inserts / connectors and others), metal fabrication, storage solution, lead bushes and trading of various products, etc. The entire output generated from the Plastic Component for Battery Business is currently sold to the Resulting Company.

As the Resulting Company acquired substantial market share over a period of time in the lead acid-based battery business, the management of the Resulting Company has strategically decided to integrate the Plastic Component for Battery Business of the Demerged Company, with its core battery manufacturing operations.

Accordingly, pursuant to the Scheme, the Plastic Component for Battery Business will be demerged into the Resulting Company and the Demerged Company would continue to run and operate the Retained Business. The Scheme is being proposed with a view to simplify the existing operations between the two companies in order to increase efficiencies.

The implementation of this Scheme will result in the following benefits:

The backward integration is expected to enhance the Resulting Company's control over the supply and inventory management of its raw materials. This would help with a unified approach on supply chain management and consequent synergies leading to optimization of resource utilisation, reduced operational, logistics, supervisory and overhead / utilities costs, reduce duplication of administrative efforts and better procurement policies and prices, for the Resulting Company.

The Resulting Company is focussed on its sustainability initiatives and accordingly, is in the process of setting up battery recycling plant. Operations in this new plant are expected to generate plastic scrap which can be used to manufacture new battery containers and covers in the facilities of Demerged Undertaking, thereby stabilising the procurement process and adding further synergies in the combined business.

The proposed demerger is expected to enhance the Resulting Company's margins and profitability, which would enhance value for all its stakeholders.

The management of the Demerged Company intends to increase its focus on the Retained Business i.e., business of manufacturing of auto components (including fasteners, plastics, copper inserts / connectors and others), metal fabrication, storage solution, lead bushes and trading of various products etc. Increased focus would help in improving MIL's performance metrics leading to better value creation and growth of the Retained Business.

In view of the aforesaid, the Board of Directors of the Demerged Company and the Resulting Company have considered it desirable and expedient to demerge the Demerged Undertaking of the Demerged Company and vest the same with the Resulting Company. Such demerger is expected to be in the best interest of both companies, their respective shareholders, creditors, employees and other stakeholders.

The Committee of the Independent Directors is of the informed opinion that the proposed rationale of the Scheme will be beneficial for the Company and its shareholders.

V. SCHEME NOT DETRIMENTAL TO THE SHAREHOLDERS OF THE COMPANY

The members of the Committee of Independent Directors discussed and deliberated upon the rationale and salient features of the Scheme. The Scheme is expected to be beneficial to the shareholders of the Company with the overall theme of backward integration thereby achieving cost and operational efficiencies. The shareholders of the Company will benefit on account of a) backward integration of the business and enhanced control over the supply chain; b) enhanced margins and profitability; c) synergies which are expected to accrue to the Company; and d) expected accretion of Earnings Per Share ("EPS").

The Company will issue and allot equity shares, as fully paid-up to the shareholders of the Demerged Company, in accordance with the Share Entitlement Ratio and in the manner as set out in paragraph III above, and in accordance with the recommendations in the Valuation Report by valuers. The equity shares to be issued by the Company to the shareholders of the Demerged Company pursuant to the Scheme shall rank *pari passu* in all respects with the then existing equity shares of the Company.

Based on the above, the Committee of the Independent Directors is of the informed opinion that the proposed Scheme is not detrimental to the interest of the shareholders of the Company.

VI. RECOMMENDATIONS OF THE COMMITTEE OF THE INDEPENDENT DIRECTORS

The Committee of the Independent Directors after due deliberations and due consideration of all the terms of the draft Scheme, Valuation Report, Fairness Opinion and the specific points mentioned above including that the Scheme is not detrimental to the shareholders of the Company, recommends the draft Scheme for favourable consideration and approval of the Board of Directors of the Company, the Stock Exchanges, the SEBI and other statutory / regulatory authorities including NCLT.

In order for the Company to comply with the requirements of the extant regulations applicable to the listed companies undertaking any scheme of arrangement under the Companies Act, 2013 and SEBI Scheme Circular, this report of the Committee of Independent Directors may please be taken on record by the Board of Directors of the Company while considering the Scheme for approval and further authorization.

**For and on behalf of Committee of the Independent Directors of
Amara Raja Batteries Limited**

N Sri Vishnu Raju
