Amara Raja Energy & Mobility reports 6% increase in quarter revenue over previous year

Hyderabad/Tirupati, Feb 11, 2026: Amara Raja Energy and Mobility Limited (ARE&M), a comprehensive solutions provider in the Energy & Mobility space, (BSE: 500008 & NSE Code: ARE&M) today, reported profit before exceptional items and tax of ₹ **251.28 Cr** for the Q3 of FY26.

Standalone financial performance highlights:

Rs. in crores

Particulars	Quarter ended		
	Dec 31, 2025	**Sept 30, 2025**	**Dec 31, 2024**
Revenue from operations	3,350.84	3,388.18	3,164.02
Profit before exceptional items and tax	251.28	283.76	311.09
Profit before tax	207.48	405.55	422.16

The company reported healthy performance across key segments, led by strong automotive growth driven by rising OEM volumes, particularly in the domestic four-wheeler and allied segments. The Industrial battery business delivered steady performance in the UPS segment, while Telecom customers increasingly migrate to advanced Li-ion battery solutions. Exports saw a decline during the period, primarily due to ongoing geopolitical tensions impacting global trade flows.

The New Energy Business marked an important milestone for the quarter by crossing ₹200 crore in revenue, supported by robust domestic demand for Telecom battery packs.

Speaking on the results, **Mr. Harshavardhana Gourineni, Executive Director- Automotive and Industrial, said,** "Our battery business delivered a strong performance during the quarter, led by robust growth and sustained demand in the OEM segment. While geopolitical developments posed challenges in certain export markets, our diversified portfolio and operational resilience helped us navigate these headwinds effectively."

Mr. Vikramadithya Gourineni, Executive Director - New Energy Business informed, "Progress on our Customer Qualification Plant and R&D production facility continue as per plan. We will be formally inaugurating both soon, which will put us in place to supply cells that are Made and Designed in India to customers for testing early next financial year. Other critical Gigafactory infrastructure is proceeding as per plan with commercial production on track for early next calendar year."

Mr. Jayadev Galla, Chairman and Managing Director said, "Our performance reflects steady and consistent progress, with each passing year strengthening our core capabilities across the energy and mobility value chain. Energy and mobility are no longer separate conversations, they are converging into a single ecosystem defined by reliability, sustainability, and strategic resilience, and our focus is on creating technologies, capabilities, and partnerships that will power this transition responsibly and at scale."

About Amara Raja Energy & Mobility Limited

Amara Raja Energy & Mobility Limited (ARE&M) encompasses a diverse range of solutions and products, which includes energy storage solutions, Lithium-ion cell manufacturing, wide range of EV chargers, Li-ion battery pack assembly, automotive and industrial lubricants, and exploration of new chemistries, among others.
